The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF STANDARDIZED CONTRACT WITH COMMUNITY-BASED
ORGANIZATIONS TO PROVIDE HOME-BASED SERVICES FOR HIGH RISK/HIGH
NEEDS YOUTH UNDER THE JUVENILE JUSTICE CRIME PREVENTION ACT
(JJCPA)**

(3 VOTE, ALL SUPERVISORIAL DISTRICTS)

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve contracting with six (6) Community-Based Organizations (CBOs) to provide home-based services to high risk/high needs youth in ten (10) service areas for an initial contract amount not to exceed \$170,018 each, for a total of \$1,700,175, fully offset by Juvenile Justice Crime Prevention Act funds, for the period to commence following Board approval through June 30, 2005, by delegating authority to the Chief Probation Officer to negotiate, finalize, and execute individual contracts substantially similar to the attached standardized draft (Attachment A), after final approval by County Counsel.
2. Delegate authority to the Chief Probation Officer to approve the addition or replacement of any agency subcontracting with the CBOs, and to execute modifications to the contracts to extend the term for up to four (4) additional 12-month periods not to exceed \$200,000 each, contingent on continued legislative funding and approval as to form by County Counsel.

3. Delegate authority to the Chief Probation Officer to execute modifications to the contracts not exceeding twenty-five percent (25%) of the maximum contract cost and/or one hundred eighty (180) days to the period of performance pursuant to the terms contained therein, upon approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS:

The purpose of the recommended actions is to obtain Board approval for ten (10) contracts (Attachment A) with six (6) CBOs to provide home-based services for Probation youth under the JJCPA High Risk/High Needs program. Services will be provided in ten (10) service areas within the five (5) geographical areas known as Clusters within Los Angeles County as listed below.

The contracted services will include intensive family-centered, home-based services delivered to a targeted population of high-risk youth ages 14-18 and their families. These services will be provided at the participant's home and are intended to avert an ongoing escalation of criminal and delinquent behavior, and to promote school success for all participants. The recommended agencies will provide services in their service area and contiguous communities. The recommended agencies and service areas are as follows:

Implementation of Strategic Plan Goals

The recommended Board action is consistent with the Countywide Strategic Plan Service Excellence Goal #1 and Children and Families' Well-Being Goal #5. Implementation of the recommendations will enable a continuum of service models for high risk/high needs youth that include home-based services.

FINANCIAL IMPACT/FINANCING:

Each of the ten contracts will not exceed a maximum of \$170,018 for the initial contract term to begin following Board approval through June 30, 2005. Subsequent contract amounts will not exceed \$200,000 each for the 12-month periods. These costs are 100% offset by Juvenile Justice Crime Prevention Act funds, which are included in the FY 2004-2005 Probation Department's budget. No net County cost is required to fund the recommended contracts. The contracts include provisions for non-appropriation of funds and budget reductions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

On April 13, 2004, your Board authorized the Chief Probation Officer to apply for and accept \$27,961,789 in fourth year JJCPA funding for FY 2004-2005 from the Board of Corrections, upon approval of the County of Los Angeles Application and Comprehensive Multi-Agency Juvenile Justice Plan Modification (Plan). The FY 2004-2005 Plan includes the merging of the Gang Intervention and Intensive Transition services programs into the new High Risk/High Needs program, and restructuring all of the Gender Specific services programs, including those in the community, camps, and juvenile halls. As such, the Department solicited for services under the new programs through a competitive bid process.

The proposed contracts are for a period to begin following Board approval through June 30, 2005 for an amount not to exceed \$170,018 each. The initial funding amount reflects the anticipated level of services that will be required during the initial contract term. The contract terms may be extended up to four additional 12-month periods in amounts not to exceed \$200,000 each, contingent on continued legislative funding and approval as to form by County Counsel.

The scope of work for the contracted services involves providing home-based services to probation youth, including intensive family-centered, home-based services delivered to a targeted population of high-risk youth ages 14-18 and their families. To ensure consistency in service delivery and fidelity to the program, Probation will provide training on the social learning model to the contractor's staff. The contracted services will include youth and parent support services such as regular meetings with youth and their parents/guardians to discuss appropriate monitoring techniques of their children's activities, goal setting, and youth mentoring. Expected outcomes for the youth include improved school attendance for the youth and, for the parent, improved parenting skills resulting in a stronger understanding on how to set goals and boundaries. Each contract will service approximately fifty-five (55) youth on an annual basis.

The Department will not request the contractor to perform services, which exceed the Board approved contract amount, scope of work, and/or contract dates.

In accordance with the Department of Human Resources memorandum dated November 16, 1995, these contracts have been reviewed in regard to the provisions for hiring displaced County employees. The contractors agree to give first consideration to hire permanent County employees targeted for layoff, or qualified former County employees who are on a re-employment list after the effective date of these contracts and during the life of the contracts.

In accordance with the Chief Administrative Office memorandum dated October 6, 1997, these contracts contain County requirements regarding the hiring of participants in the Greater Avenues for Independence/General Relief Opportunities for Work (GAIN/GROW) program.

The contract includes all County requirements, including, non-responsibility and debarment, child support compliance, Safely Surrendered Baby Law, and the provisions of paid jury service time for their employees.

These are Non-Prop A contracts. Consequently, there are no departmental employee relations issues and they will not result in a reduction of County services.

The Department has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended contracts.

CONTRACTING PROCESS:

To solicit for the services, a comprehensive Request for Proposals (RFP) process was conducted. An RFP was developed to address the ten (10) service areas within the five (5) Clusters, and through the solicitation and competitive negotiation process, approximately 650 letters were sent to service providers. Advertisements were placed in the Los Angeles Times, Eastern Group Publications and Los Angeles Sentinel. The solicitation information was also made available through the internet on the County of Los Angeles Internal Services Department website (Attachment C). As a result of the RFP issued on July 2, 2004, 122 potential providers requested copies of the RFPs and 102 potential providers attended the mandatory Proposer's conference. A total of 68 proposals were received for the ten (10) targeted services areas within the five (5) Clusters (Attachment D).

The proposals were first reviewed using an initial screening "pass/fail" process to determine which proposals met the minimum mandatory requirements. The initial screening was consistent with the Selection Process and Evaluation Criteria set forth in the RFP. A total of twenty-one (21) proposals (Attachment E) were not evaluated because they did not meet all of the minimum requirements set forth in the RFP. Subsequently, these proposals did not pass the initial screening and were deemed non-responsive.

The remaining forty-seven (47) proposals were evaluated on the strengths and weaknesses of critical categories to the services to be provided that were consistent with the criteria identified in the RFP. Asian Youth Center, Communities In Schools, Community Build, Inter-Agency on Drug Abuse and Recovery Program (I-ADARP), Soledad Enrichment Action, and STARS Behavioral Health Group are being recommended for contract award because their proposals were responsive and deemed beneficial to the County based on their planned level of services and capability.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

Approval of the recommended actions will enable the Probation Department to comply with the Plan's mandate to contract with CBOs to provide home-based services to high-risk/high needs youth.

Respectfully submitted,

PAUL HIGA
Chief Deputy Probation Officer

**STANDARDIZED DRAFT CONTRACT TO PROVIDE HOME-BASED SERVICES
FOR HIGH RISK/HIGH NEEDS YOUTH UNDER THE JUVENILE JUSTICE
CRIME PREVENTION ACT (JJCPA) FOR THE COUNTY OF
LOS ANGELES PROBATION DEPARTMENT**

This Contract and Exhibits made and entered into this _____ day of _____, 2004 by and between the County of Los Angeles, hereinafter referred to as County and _____, hereinafter referred to as Contractor. _____ is located at _____.

RECITALS

WHEREAS, the COUNTY of Los Angeles Probation Department has a need for the services of community-based organizations with specialized experienced and capability to provide home-based services;

WHEREAS, the County of Los Angeles, through its Probation Officer, is authorized under California Code Section 31000; and

WHEREAS, CONTRACTOR is duly qualified to engage in the business of providing services as set forth hereunder and warrants that it possesses the licenses, competence, experience, preparation, organization, staffing and facilities to provide services as described in this contract.

NOW, THEREFORE, in consideration of the mutual covenants herein set forth and the mutual benefits to be derived therefrom, the parties agree as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business

and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.

- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity;

and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following **Customer Service And Satisfaction Standards** in support of improving outcomes for children and families.

DRAFT

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name

(a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or

(b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars (\$100) per day per infraction, or as specified in the *Performance Requirements Summary (PRS) Chart*, as defined in *Exhibit K*, hereunder, and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or

(c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.26.3 The action noted in Sub-paragraph 8.26.2 shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

8.26.4 This Sub-paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Sub-paragraph 8.26.2, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27 MOST FAVORED PUBLIC ENTITY

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

8.28 NONDISCRIMINATION AND AFFIRMATIVE ACTION

8.28.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.28.2 The Contractor shall certify to, and comply with, the provisions of *Exhibit C - Contractor's EEO Certification*.

8.28.3 The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

- 8.28.4 The Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, or physical or mental disability, marital status, or political affiliation.
- 8.28.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
- 8.28.6 The Contractor shall allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Sub-paragraph 8.28 when so requested by the County.
- 8.28.7 If the County finds that any provisions of this Sub-paragraph 8.28 have been violated, such violation shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.
- 8.28.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 NON EXCLUSIVITY

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Contract shall not restrict the Probation Department from acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 NOTICE OF DELAYS

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one (1) day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.31 NOTICE OF DISPUTES

The Contractor shall bring to the attention of the County Project Manager and/or County Contact Manager any dispute between the County and the Contractor regarding the performance of services as stated in this Contract. If the County Project Manager is not able to resolve the dispute, the Chief Probation Officer, or designee shall resolve it.

8.32 NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015. (Refer to exhibit J)

8.33 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit H of this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

8.34.1 Notices required or permitted to be given under the terms of this contract or by any law now or hereafter in effect may, at the option of the party giving notice, be given by enclosing the same in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid in the United States, Post Office or substation thereof, or any public mail box; and any such notice and the envelope containing same shall be addressed to CONTRACTOR at his place of business as designated below, or such other place as may be hereinafter designated in writing by CONTRACTOR. Attn: Project Director/Exec. Director

8.34.2 In the event of suspension or termination of the contract, notices may also be given upon personal delivery by COUNTY to any person whose actual knowledge of such suspension or termination would be sufficient notice to CONTRACTOR.

8.34.3 The Chief Probation Officer shall have authority to execute all notices required or permitted to be given here.

8.35 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or

agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.36 PUBLIC RECORDS ACT

8.36.1 Any documents submitted by Contractor; all information obtained in connection with the County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to Sub-paragraph 8.38 – Record Retention and Inspection/Audit Settlement of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 PUBLICITY

8.37.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and

- During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Contract Manager. The County shall not unreasonably withhold written consent.

8.37.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Sub-paragraph 8.37 shall apply.

8.38 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or records relating to this Contract. All such material, including, but not limited to, all financial records, timecards and other employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. The County shall make a

reasonable effort to maintain the confidentiality of such audit report(s).

- 8.38.2 Failure on the part of the Contractor to comply with any of the provisions of this Sub-paragraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

- 8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.39 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.40 SUBCONTRACTING

- 8.40.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.
- 8.40.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:
- A description of the work to be performed by the subcontractor;

- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.40.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

8.40.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

8.40.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its subcontractors of this County right.

8.40.6 The County's Contract Manager is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees.

8.40.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.

8.40.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to:

Henry Moreno, Contract Analyst
9150 East Imperial Highway, Room C-29
Downey, CA. 90242

before any subcontractor employee may perform any work hereunder.

8.41 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN CHILD SUPPORT COMPLIANCE

Failure of the Contractor to maintain compliance with the requirements set forth in Sub-paragraph 8.15 – Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default by the Contractor under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure to cure such default within 90 days of notice by the Los Angeles County Child Support Services Department shall be grounds upon which the Board of Supervisors may terminate this Contract pursuant to Sub-paragraph 8.43 – Termination for Default and pursue debarment, pursuant to County Code Chapter 2.202.

8.42 TERMINATION FOR CONVENIENCE

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Sub-paragraph 8.38, Record Retention & Inspection/Audit Settlement.

8.42.4 After the receipt of a Notice of Termination, CONTRACTOR shall submit to COUNTY, in the form and with the certifications as may be prescribed by COUNTY, his termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than three (3) months

from the effective date of termination. Upon failure of CONTRACTOR to submit his termination claim and invoice within the time allowed, COUNTY may determine on the basis of information available to COUNTY, the amount, if any, due to CONTRACTOR in respect to the termination and such determination shall be final. After such determination is made, COUNTY shall pay CONTRACTOR the amount so determined.

8.42.5 Subject to the provisions of the paragraph immediately above, COUNTY and CONTRACTOR shall negotiate an equitable amount to be paid CONTRACTOR by reason of the total or partial termination of work pursuant to this clause. Said amount may include a reasonable allowance for profit on work done but shall not include an allowance on work terminated. COUNTY shall pay the agreed amount; subject to other limitations and provided that such amount shall not exceed the total funding obligated under this contract as reduced by the amount of payments otherwise made and as further reduced by the contract price of work not terminated.

8.42.6 All material including books, records, documents, or other evidence bearing on the costs and expenses of the CONTRACTOR under this Contract shall be maintained by the CONTRACTOR in the CONTRACTOR'S program.

8.43 TERMINATION FOR DEFAULT

- 8.43.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Contract Manager:
- A. Contractor has materially breached this Contract;
 - B. Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
 - C. Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Sub-paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.

8.43.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Sub-paragraph 8.43.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of this Sub-paragraph 8.43, it is determined by the County that the Contractor was not in default under the provisions of this Sub-paragraph 8.43, or that the default was excusable under the provisions of Sub-paragraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Sub-paragraph 8.42 - Termination for Convenience.

8.43.5 In the event the County terminates this Contract in its entirety due to the Contractor's default as provided in Sub-paragraph 8.43.1, the Contractor and the County agree that the County will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the County's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Contractor and the County agree that the County shall, at its sole option and in lieu of the provisions of Sub-paragraph 8.43.2, be entitled to liquidated damages from the Contractor, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Contract sum, whichever is less, as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the Contractor to the County by cash payment upon demand or, at the sole discretion of Probation, or designee, deducted from any amounts due to the Contractor by the County, whether under this Contract or otherwise.

These liquidated damages shall be in addition to any credits, which the County is otherwise entitled to under this Contract, and the Contractor's payment of these liquidated damages shall not in any way change, or affect the provisions of Sub-paragraph 8.23 - Indemnification.

8.43.6 The rights and remedies of the County provided in this Sub-paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 TERMINATION FOR IMPROPER CONSIDERATION

8.44.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of

default by the Contractor.

8.44.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.44.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.45 TERMINATION FOR INSOLVENCY

8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.45.2 The rights and remedies of the County provided in this Subparagraph 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance,

County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Sub-paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 WARRANTY AGAINST CONTINGENT FEES

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 **CONTRACTOR'S OBLIGATIONS UNDER HEALTH INSURANCE PORTABILITY & ACCOUNTABILITY ACT (HIPAA)**

The County is subject to the Administrative Simplification requirements of the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA). Under this Contract, Contractor provides services to the County and the Contractor receives, has access to, and/or creates Protected Health Information as defined in *Exhibit L* in order to provide those services. EXHIBIT G
Jury Service Ordinance

Chapter 2.203 CONTRACTOR EMPLOYEE JURY SERVICE

DRAFT
2.203.010 Findings.

The Board of Supervisors makes the following findings: The County of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the County of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the County of Los Angeles has determined that it is appropriate to require that the businesses with which the County contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

CONFIDENTIALITY OF CORI INFORMATION

Criminal Offender Record Information (CORI) is that information which is recorded as the result of an arrest, detention or other initiation of criminal proceedings including any consequent proceedings related thereto. As an employee of _____ during the legitimate course of your duties, you may have access to CORI. The Probation Department has a policy of protecting the confidentiality of Criminal Offender Record Information.

You are required to protect the information contained in case files against disclosure to all individuals who do not have a right-to-know or a need-to-know this information.

The use of any information obtained from case files or other related sources of CORI to make contacts with probationers or their relatives, or to make CORI available to anyone who has no real and proper reason to have access to this information as determined solely by the Probation Department is considered a breach of confidentiality, inappropriate and unauthorized.

Any _____ employee engaging in such activities is in violation of the Probation Department's confidentiality policy and will be subject to appropriate disciplinary action and/or criminal action pursuant to Section 11142 of the Penal Code.

Internal Revenue Service
Notice 1015

(Rev. October 2001)

**Have You Told Your Employees About the
Earned Income Credit (EIC)?****DRAFT****What is the EIC?**

The EIC is a refundable tax credit for certain workers.

A change to note. Workers **cannot** claim the EIC if their 2001 investment income (such as interest and dividends) is over \$2,350.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on **Form W-4**, Employee's Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2001 are less than \$32,212 that he or she maybe eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS **Form W-2**, Wage and Tax Statement, which has the required information about the EIC on the back of **Copy B**.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- **Notice 797**, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give W-2 and do so in time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given in time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2002.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on any employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-929-3676. You can also get the notice from the IRS Web Site at www.irs.gov.

**How Will My Employees Know If They Can
Claim the EIC?**

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2001 instructions for Form 1040, 1040A, 1040EZ, or **Pub. 596**, Earned Income Credit.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2002 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2001 and owes no tax but is eligible for a credit of \$791, he or she must file a 2001 tax return to get the \$791 refund.

**How Do My Employees Get Advance EIC
Payments?**

Eligible employees who expect to have a qualifying child for 2001 can get part of the credit with their pay during the year by giving you a completed **Form W-5**, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see **Pub. 15**, Employer's Tax Guide.

The Privacy Regulations mandate certain protections for the privacy and security of Protected Health Information. The Privacy Regulations also require County to enter into an agreement with Contractor in order to obtain satisfactory assurance from Contractor that Contractor will appropriately safeguard the Protected Health Information.
